

## Assessment at Campton Lower School

Campton Lower School assesses pupils in line with the principles for assessment stated below.

### Principles for Assessment

- Assessment is at the heart of teaching and learning.
- Assessment is fair.
- Assessment is honest.
- Assessment is ambitious.
- Assessment is appropriate.
- Assessment should draw on a wide range of evidence to provide a complete picture of student achievement.
- Assessment is consistent.
- Assessment outcomes provide meaningful & understandable information for: pupils, parents, teachers, school leaders, government.
- Assessment feedback should inspire greater effort and a belief that, through hard work and practice, more can be achieved.

From September 2014 - following the removal of National Curriculum levels for all Primary school year groups with the exception of Years 2 & 6 - the school is developing an assessment system based on the above principles.
